LENAHAN FOUND GUILTY

BY JUDGE S. G. WHITTLE Former Saloonkeeper Fined 2580 and Sentenced to Juli for Six Months.

Yesterday in the Hustings Court, Patrick Lenahan was found guilty of Patrick Lenahan was found guilty of importing whisky into Richmond, and was sentenced to pay a fine of \$500 and serve six months in jail.

Counsel for Lenahan made a motion to set aside the verdict, but this was overruled, and an appeal was noted. The case has occupied the time of the Hustings Court for the past three days, and has attracted considerable public attention.

CLEAN STOMACH Makes a Well Man

The body is a highly organized machine of complicated parts in which the stomach, liver and the kidneys work for the common good. Damage to any one of these organs interferes with man as a motor mechanism. If you clean the stomach, liver and bowels occasionally with a gentle laxative you can keep well. Too much fuel in man's machine, such as eating too much meat, or alcohol or tea, nervous overwork and lack of exercise in outdoor air bring constipation and bad health.. Eat less meat, plenty of vegetables, and with air and good exercise you need little else. If the liver needs rousing—and rost of us need this once a week - take a

safe vegetable extract of the leaves of aloe, Mayapple, root of jalap, made into a tiny, sugarcoated pill, sold by almost every druggist, as Dr. P'rce's Pleasant Pellets, and first put up nearly fifty years ago. In vials, twentyfive cents. Most people die eventually of

an over-acid condition. If the blood can be rendered more alkaline, the longer we live. With regular hours, six to eight glasses of water between meals, sensible coarse food and a chance to get the poisons out of the system, a man will live to be a hundred. But, unfortunately, our highly nervous way of living brings increased storage of uric acid in the body. This acts as a poison, and consequently we suffer from headaches, neuralgia, lumbago, sches or pains, rheumatism, gout.

Get rid of this uric acid poison by taking a harmless medicine, called Anuric, which throws out the uric acid by stimulating the kidneys. Drink a pint of hot water before meals and take Anuric (double strength), after meals and at bed time. Anuric can be obtained at almost any drug store for sixty cen's, or send a dime to Doctor Pierce, Invalids' Hotel, Buffalo, N. Y.,

Get Dr. Edwards' Olive Tablets That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic con-stipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing

contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tableta. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

RHEUMATISM LEAVES YOU FOREVER

eep Scated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Starts to Leave the System Within Twenty-four Hours.

Every druggist in this country is authorized to say to every rheumatic sufferer, in this vicinity that if two bottles of Allenrhu, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenrhu has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitcous and where the patient was helpless.

Allenrhu relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels. Its marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenrhu, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of any one's money unless Allenrhu decisively conquers this worst of all diseases, and he has instructed dealers to guarantee it in every instance.—Adv.
